# Dying to know

Bringing death to life

*The meaning of life?*

**People study for weeks for a birth.  
Why not study for a death?**

## **Feed a friend.**

*if you know someone dealing with the death of a loved one, drop over some groceries or a meal. It's the last thing they'll be thinking about organizing.*

Why do some cultures have **elders** but others have the **elderly**?

**IT'S NOT THE DATES  
THAT MATTER,  
IT'S THE  
DASH  
IN BETWEEN.**
